

Here's to the nights that turn into mornings, with friends that turn into family!

Your Summer News & Updates

Letter from Dr. Bauman

The Beauty of Summer

This past weekend, I woke up early to a crystal clear morning. The sun was starting to peak out over the mountains. I thought I could hear birds chirping from far away. Otherwise, it was quiet, pristine and serene. I was enjoying my visual intake of a beautiful beginning of a perfect day.

But I noticed my senses felt somewhat deprived. My auditory brain felt incomplete and not fully engaged in the process of enjoyment of what the beauty of the day was about to offer.

My hearing aids were missed. I heard sounds around me, but not keen enough to fully appreciate the start of the perfect day. The closest experience I can compare this to is going to a museum and looking at the most precious pictures without wearing my glasses. I could still see the paintings, but the colors the minute details of the paintings were absent. I was looking at the master pieces in front of me but the true appreciation for the beauty of the paintings was missing.

And that is exactly what I was feeling without my hearing aids. My hearing sense was deprived of the "colors" of sounds, the brightness of sounds, the very minute details of the "painting" of the auditory landscape. I was missing the beauty of the auditory landscape of the day which was no less than perfect. I ran upstairs and retrieved my hearing aids. Armed with better hearing, I re-entered the day anew. Now I could hear the birds singing in nearby trees. By bringing sounds closer, I made the beginning of my day a perfect start to the day.

Happy Summer,
Dr. Natan Bauman, Ed.D., M.S., Eng, FAAA

Events

Monday, July 31st 10:15 -11:15am | Come, join us at the Meriden Senior Center, for a educational presentation on everything related to hearing! Presentation given by Dr. Bauman.

Wednesday, November 8, 2017 | Fearless Caregivers Conference 8am-2:30pm at the Grassy Hill Country Club 441 Clark Lane, Orange, CT 06477

Announcements

Happy Birthday to patients, friends and family celebrating a birthday this summer!

Special thank you to all who attended our Hamden and Branford Open Houses! We had a great time celebrating Better Hearing and Speech Month this past May!

Also, we had such a wonderful turn out Thursday, June 15th at the Waterbury Senior Center. Dr. Zelda Shleifer and our good friend Kim Schmidt from CapTel gave wonderful presentations!

Back in April we were a vendor at the Hamden and Waterbury Chamber. We spent the day advocating the importance of having your hearing tested and met lots of wonderful people.

Office Hours

While you are enjoying your summer please be advised our hours have changed as of June 2, 2017.

Monday-Thursday 8am - 6pm & Friday 8am-1pm

We strive to take care of all our patients hearing healthcare needs and will continue to do so!

COMING SOON - WALK-IN HOURS Starting July 25, 2017
Tuesdays 1:00pm - 2:00pm | Thursdays 12:00pm - 1:00pm

What does this mean for our patients?

Have your hearing aids serviced without an appointment!!

Hearing aid cleaning - trouble shooting - filter changes - diagnosis of dead devices - dome changes - tubing changes (within 24 hour return)

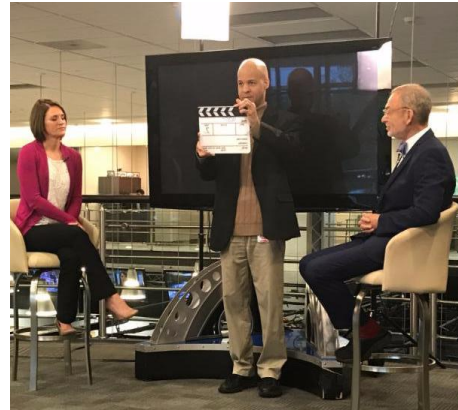

You can walk in and DROP IT OFF IN THE MORNING or wait during the hours of the clinic! One of our licensed practitioners will service the hearing aids during the WALK-IN HOUR. If after the service it is determined that you need to see a practitioner, we will then set up an appointment or advise if aids need to be sent out for repair.

NBC CT Spotlight

We are so proud of our very own Dr. Natan Bauman, on his big debut during the NBC Today Show on Monday, June 12th.

He was interviewed by CT Spotlight Host Jackie Brousseau. She asked a variety of questions on the importance of having your hearing tested to how technology has evolved in the hearing industry today.

We worked really hard on this and couldn't have done it without our friends at NBC Connecticut. If you missed the original airing click the picture to watch the video.

Hurricane season is here! This article can be very useful, especially during the summer months. you'll find tips to help you prepare for the worst in a storm and is not only for just hearing aid users!

Hearing, Balance
& Speech Center

COMING SOON

Ambassador Program

Hope can become your reality!

Hearing, Balance and Speech Center is proud to announce our Ambassador program. Hope can become the reality of your friends and family. We encourage our patients to share the gift of better hearing for a better life!

Although, the hardest part for someone is realizing they need hearing aids. Having a hearing test annually is a key part of the process. Sharing this knowledge with your loved ones is a way to be apart of a cause, sharing the gift of better hearing for a better life.

HERE'S HOW IT WORKS

Upon delivery of your hearing aids, you the patient, become an Ambassador of HBSC. You will receive a total of 10 ambassador cards, each valued at 2%.

As an ambassador, we ask you to refer your friends and family to come in for a hearing test. We will track the ambassador cards we receive back from your referrals. When you are ready to make your next purchase or service, you will be eligible to receive a 2% discount for each referral identified with hearing loss up to a total of 20% off your next purchase of hearing aids. It's that simple!

*"Blindness separates people from things;
deafness separates people from people."
