Congratulations

We are proud to congratulate Dr. Bauman on acquiring another patent! Although, he works very hard day in and day out to care for his patients hearing healthcare needs, and takes pride in it, he is also a hard working engineer, inventing ways to improve hearing healthcare for everyone.

Introducing this Winter...

Hearing, Balance and Speech Center is proud to announce our Ambassador program. Hope can become the reality for your friends and family. We encourage our patients to share the gift of better hearing for a better life!

GIVE THE GIFT OF HEARING.
BETTER HEARING FOR A HEALTHY LIFE STYLE.

Serving the Hamden community and surrounding areas with hearing loss solutions for over 25 years. As the birthplace of the revolutionary Vivatone® hearing aid, the Hearing, Balance and Speech Center is the right choice for all your hearing health care needs. Our Owner and Director, Dr. Natan Bauman and his team of Audiologists and Hearing Instrument Specialists perform diagnostic hearing tests, balance tests and fit hearing aids.

Although, the hardest part for someone is realizing they need hearing aids, having a hearing test annually is a key part of the process. Sharing this knowledge with your loved ones is a way to be apart of a cause, share the gift of better hearing for a better life.

HERE'S HOW IT WORKS

Upon delivery of your hearing aids, you the patient, become an Ambassador of HBSC. You will receive a total of 10 ambassador cards, each valued at 2%.

As an ambassador, we ask you to refer your friends and family to come in for a hearing test. We will track the ambassador cards we receive back from your referrals. When you are ready to make your next purchase or service, you will be eligible to receive a 2% discount for each referral identified with hearing loss up to a total of 20% off your next purchase of hearing aids.

It's that simple!

"Blindness separates people from things; deafness separates people from people."
-Helen Keller
