– Special Invitation –

In honor of Better Hearing & Speech Month, **Hearing, Balance and Speech Center** is pleased to announce that we will be demonstrating a new product developed by our engineering team in Denmark! Last year we broke all the rules with the release of the Opn devices. We are breaking them again with the release of the new **Opn S™**. In fact, we will be one of the first practices to let you test drive this new technology in the area!

We are now offering groundbreaking products with **BrainHearing™** technology that has enabled a paradigm shift in hearing healthcare. Now you can...

- **Enjoy** speech understanding on par with normal hearing.
- **Remove** the noise between words, to make the overall background noise **less** intrusive.
- **Reduce** your listening effort by understanding speech up to 30% better.†
- **Improve** brain functionality with better clarity so you can **focus** on the most interesting sounds to you.
- **Connect** to the internet and your smartphone.
- **Recharge** with Lithium-ion batteries. Have a full day of listening on a quick recharge.

Our professional staff will be on hand for a **5-day event - May 13th, 14th, 15th, 16th & 17th (Monday through Friday) from 8:00 am - 5:00 pm**. During this special event, we will be offering the following **FREE OF CHARGE**:

- Complimentary hearing assessment.* Your problem may just be wax!
- Try the hearing device **proven** to make it easier on your brain, Oticon Opn S™. This fantastic new technology is among the most advanced and discrete we have seen in the Hearing Healthcare Industry.
- If you currently wear hearing instruments, they will be cleaned and inspected at no charge during your office visit.

This special event is for **5 days only!** We are sending this invitation to a select few of our neighbors. Please call early to make an appointment for the date of your choice. Appointments will go fast! Be sure to bring a friend or loved one – someone whose voice is familiar to you and you communicate with the most.

*As our way of saying “THANKS” for stopping by and allowing us to introduce these new devices to you, **you will receive a \$20 E-Gift Card, ABSOLUTELY FREE!*****

Contact us today - **RSVP by calling (888) 832-9908**. Appointments are limited and remember there is no cost for these services during this five-day event!

Yours for better hearing,

Natan Bauman

COMMUNICATION
ACROSS THE LIFESPAN

Better Hearing & Speech Month

P.S. We will be offering tremendous incentives, including financial, toward the purchase of any New Digital Hearing System from Oticon during this event. Remember, appointments are limited so please call **(888) 832-9908** today!

*The purpose of this hearing assessment and/or demonstration is for hearing wellness to determine if the patient(s) may benefit from using hearing aids. Products demonstrated may differ from products sold. Test conclusion may not be a medical diagnosis. The use of any hearing aid may not fully restore normal hearing and does not prevent future hearing loss. Testing is to evaluate your hearing wellness, which may include selling and fitting hearing aids. Hearing instruments may not meet the needs of all hearing-impaired individuals. One offer per customer. Insurance benefit, including Managed Care or federal reimbursements, cannot be combined with any of our promotional offers, coupons or discounts. Other terms may apply. See office for details. **Participation varies by location/provider. Information within this offer may vary or be subject to change. Offer expires 5/31/2019. †Le Goff et al. 2016, Opn Clinical Evidence White Paper, Oticon, Inc.
